10. (Unclassified - JEC) LEGISLATION Received a call from David Solomon, on the staff of Representative Paul Simon (D., Ill.), regarding our response to his request for views on a bill which he proposed to introduce. Mr. Solomon asked that we set up a briefing on Agency activities in certain cultural fields. I referred him to Liaison Staff.

11. (Unclassified - JEC) LEGISLATION Called Allan Coffey, Minority Counsel, House Judiciary Subcommittee on Administrative Law and Governmental Relations, concerning the status of mark-up of H.R. 1, financial disclosure legislation. He said they were still tied up and had not reached our amendment. They will continue mark-up Tuesday, 11 October. He added that he thought the Judiciary Committee's bill would be the one referred to the floor by the House Rules Committee.

12. (Unclassified - YTF) LEGISLATION Talked to Jean Evans, on the staff of the Senate Select Committee on Intelligence, concerning S. 1264, the Federal Acquisition Act, and its status in the Senate Governmental Affairs Subcommittee on Federal Spending Practices and Open Government. I repeated to him that the Agency would not be adversely affected if section 3 of the CIA Act of 1949 were to be repealed. Also, since there might be some question of jurisdiction, we had checked with Bill Miller, Staff Director of the Select Committee, and Tom Latimer, Staff Director of the House Permanent Select Committee on Intelligence, and they had no problems if S. 1264 were to repeal the CIA Act.

13. (Unclassified - YTF) LEGISLATION Called Bob Hull, State Department, and asked for the latest word on the "high-one" proposed bill on retirement. He said he checked with OMB a few days ago, and the Administration's legislation was still at OMB. He said he had not heard whether H.R. 9262 would be expanded to include the Executive Branch.

14. (Unclassified - YTF) LEGISLATION Called Dick Shultz, Counsel, Senate Judiciary Committee, regarding S. 1096, a bill dealing with false documentation. He said the Committee had issued a clean bill and it would be available sometime next week.
